COMMUNITY UPDATE

A recent City survey shows that Novatans are highly-satisfied with their quality of life and the services the City provides. We have a proud tradition of delivering excellent, quality-of-life services that are important to you, while demonstrating fiscal prudence and accountability.

During the Great Recession and amid State takeaways, the City has responsibly managed its budget with long-term community priorities and fiscal sustainability in

mind. Strategic operations have been put in place, a long term Fiscal Sustainability Plan has been adopted, and the City continues to work to restore, maintain, and improve local services important to the community.

We encourage all Novato residents to join the conversation by completing the attached survey and mailing it back to us or fill out online: www.novato.org/acitythatworks—and help us continue being A City that Works for you!

MEETING YOU WHERE YOU ARE

For us, effective communication means providing timely, accurate, and relevant information to the community about the City and our services; providing easy, accessible, and meaningful ways to connect; and promoting transparency in our decision-making processes.

Now it's even easier to find information about City services—**check out our new & improved website: www.novato.org**

Note that our website is a work-in-progress and we will be continually working to improve your experience. Give us your feedback: click on the “feedback” link on any webpage or e-mail publicinfo@novato.org.

The screenshot shows the City of Novato website interface with several callout boxes pointing to specific features:

- Emergency Preparedness | E-Notifications | Jobs | Contact Us | [Feedback](#) | Select Language** (top navigation bar)
- ABOUT NOVATO | GOVERNMENT | COMMUNITY | BUSINESS** (main navigation tabs)
- Ability to translate the website into a variety of languages, including Spanish** (points to the Select Language button)
- Contact staff directly through our staff directory** (points to the COMMUNITY tab)
- Improved search function and friendly URLs** (points to the search bar with the text "Type Here ..." and a "FIND" button)
- Check out our parks and facilities directory—see photos, location, and list of amenities for each area** (points to the "Parks & Rec Registration" link in the "HOT Searches" bar)
- Submit a service request online to report a maintenance or other city-related issue, track your request, and get updates by e-mail** (points to the "SERVICE REQUEST" button in the footer)
- Find out the latest on high-profile issues affecting the community** (points to the "HOT TOPICS" button in the footer)

The main content area features a "NEWS" section with a headline: "Commissions, Committees and Boards Recruitment Deadline Extended" and a "CALENDAR" section. The footer contains buttons for "AGENDAS & MINUTES", "WATCH MEETINGS", "OPEN NOVATO", "SERVICE REQUEST", "A CITY THAT WORKS", and "HOT TOPICS".

A CITY THAT WORKS

NOVATO IS SAFE

Novato continues to experience historically low crime rates—with more than a 45% drop in total crime over a 20-year period. Our Novato Police Department keeps our community safe through education, enforcement, and working closely with our neighborhoods.

A great example of this is our Novato Response Team—a special police team focused on proactive crime prevention, intervention and enforcement to address gangs, crime and issues affecting quality of life. The NRT:

- meets with residents to provide crime prevention tips,
- visits our schools to mentor our youth and reduce gang involvement,
- works with property owners of multi-family housing to ensure the safety of their residents and the surrounding community.

Recently, the NRT launched a first installment of the GREAT program—a 13-week class, that takes place once a week—teaches students skills to help avoid gang involvement, violence, drug abuse, and crime. To schedule a NRT presentation, contact nconrad@novato.org or call 415.899.7039.

NOVATO IS ACCESSIBLE

Citywide, we are improving bicycle and pedestrian safety and promoting safe streets.

Last year, our Public Works Department:

- constructed a new sidewalk on Vineyard Road
- installed a new pathway adjacent to Lynwood Drive
- repaved 5 miles of streets, installed 15 new wheelchair ramps, and repaired more than 150 sidewalks

Coming this year, in addition to our regular pothole and street repair work, our maintenance crews will:

- construct a multi-use path on Nave Drive in front of Hamilton School
- repave pathways in Hoog and Miwok Parks
- rehabilitate over four miles of pavement this summer on 27 streets throughout the City, as well as install more than 30 new wheelchair ramps and repair more than 80 sidewalks

NOVATO IS THRIVING

We are invested in our local economy—to keep our local businesses thriving and growing, to entice new businesses to locate to Novato and bring high-paying jobs to our community, and to keep our dollars local (visit shoplocalnovato.com). To grow local jobs and take advantage of the emerging life science sector in Novato, the City, in partnership with industry leaders including the Buck Institute, educators, and neighboring counties, formed the North Bay Life Science Alliance to spread the word that our region is the place to be for the life science industry. **Check us out: nblsa.com**
