## DOWNTOWN STREETS TEAM PILOT MOBILE SHOWER PROGRAM AT MARIN COMMUNITY CLINICS (6100 REDWOOD BLVD, NOVATO)

marin mobile care

The Downtown Streets Team (DST) is launching a **pilot mobile shower program at the Marin Community Clinic** located at 6100 Redwood Blvd in Novato.

DST has proposed a mobile shower program, for people experiencing homelessness, two weekday mornings between the hours of 5:30-9am during a 90-day pilot period—*expected to begin in December 2017*. DST will be responsible for all onsite operations.

DST provides homeless and low-income men and women with the resources they need to rebuild their lives with the goal to transition them into employment. Earlier this year, they launched a program in Novato providing our community's unhoused men and women with work experience and case management services.
