## NOTICE OF PUBLIC WORKSHOP

VINEYARD ROAD IMPROVEMENTS

CIP Project No. 15-017

You are invited to attend an upcoming public workshop regarding Vineyard Road improvements.

**Wednesday, November 15, 2017, 7:00pm to 9:00pm**

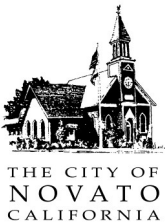

**Sinaloa Middle School Gymnasium: 2045 Vineyard Road**

**Scope of Work:** This project will consist of comprehensive pavement rehabilitation (Cold-in-place Recycling - CIR; 4" grind and pave) of the existing roadway with localized dig-outs and patches as needed; inclusion of Class II and Class III bicycle facilities through the project limits where feasible based on pavement width; replacement of any damaged existing curb and gutter; upgrade ADA curb ramps and accessibility features as mandated; replacement of pavement striping and markings; and relocate and/or install new traffic signs.

For additional project information please visit: [www.novato.org/vineyardimprovements](http://www.novato.org/vineyardimprovements).

If you have any questions or comments, please contact project engineer Petr Skala at [pskala@novato.org](mailto:pskala@novato.org) or 415.899.8237.

Date: 11/6/2017
