

NEIGHBORS

WE WANT TO HEAR FROM YOU!

You are invited to a workshop, hosted by the City of Novato, to explore new zoning possibilities for your neighborhood—the Northwest Quadrant.

As part of the City’s General Plan Update, we have been reaching out to you and your neighbors to assist us in updating your neighborhood plan, which will guide future land use decisions for the “Northwest Quad.”

Together, our next step will be to explore new zoning possibilities with you intended to stimulate new investment in, while protecting the character of, your neighborhood.

Workshop 1: Zoning Possibilities for the NW Quad Neighborhood

Wednesday, October 26, 7-9 pm
Novato City Hall, 901 Sherman Avenue

- What does the current zoning look like for the NW Quad?
- What is a form-based zoning code? How may it apply to my neighborhood?

This will be the first workshop offered—others will be announced following this date. For more info on the Northwest Quad plan, please go to novato.org/northwestquad.
