

NEIGHBORS

WE WANT TO HEAR FROM YOU!

You are invited to a workshop, hosted by the City of Novato, to explore new zoning possibilities for your neighborhood—the Northwest Quadrant.

As part of the City’s General Plan Update, we have been reaching out to you and your neighbors to assist us in updating your neighborhood plan, which will guide future land use decisions for the “Northwest Quad.”

Together, we have been exploring new zoning possibilities with you intended to stimulate new investment in, while protecting the character of, your neighborhood.

WORKSHOP 2:
Presentation of Proposed Zoning Changes
for the NW Quad Neighborhood
Thursday, March 9, 7-9pm

Novato City Hall, 901 Sherman Avenue

- Taking the feedback received from the previous workshop and neighborhood meetings, this workshop will walk you through the proposed zoning changes for your neighborhood, describe how it compares with the current zoning and what that means, in detail, for the Northwest Quad neighborhood.
