

Where friends and families meet

Reimagine Downtown Novato Historic Train Depot & Site Planning Community Workshop #2

Thursday April 19, 2018 from 5-8pm.

At the Depot Site @ Grant & Railroad Aves

(if inclement weather, we will relocate to City Hall, 901 Sherman)

Picnic-style gathering—bring your camp chairs and blankets, we will provide the food & drink; families welcome!

We will take the community concepts from Workshop #1 and envision layouts and features for the site.
