

THE CITY OF  
**NOVATO**  
CALIFORNIA

**COMMERCIAL CANNABIS LAND USE AND TAXING  
COMMUNITY WORKSHOP**

May 6, 2019, 7:00 PM  
City Hall  
Council Chambers, 901 Sherman Avenue

Please join the Planning Commission as they host a workshop to review draft proposals to regulate and tax commercial cannabis facilities in the City. At the workshop, staff will present a draft ordinance which will regulate the size, number and locations of commercial cannabis activities, as well as details of a proposed cannabis business tax to potentially be placed on the ballot for the November 5, 2019 election.

Staff is seeking feedback from the public on these draft proposals.

For more information, please visit the City web site at:
