Mr. Brian Cochran, Finance Manager
City of Novato
922 Machin Ave
Novato, CA 94945

Dear Mr. Cochran:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Novato Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 15-16A) to the California Department of Finance (Finance) on March 2, 2015 for the period of July 1 through December 31, 2015. Finance has completed its review of your ROPS 15-16A, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 9 – Amended Reimbursement Agreement in the amount of \$1,346,915 is not allowed. It is our understanding the Agency repaid the original Reimbursement and Operating Agreement with the City on February 1, 2015. The Agency did not experience a Redevelopment Property Tax Trust Fund (RPTTF) shortfall in the January through June 30, 2015 period (ROPS 14-15B). Therefore, this line item is not an enforceable obligation and is not eligible for RPTTF funding.

Review of ROPS 15-16A included Agency's Oversight Board (OB) Resolution No.3-15. The OB Resolution, approving an amended amortization schedule to the Reimbursement and Operating Agreement by and between the City of Novato and the Agency, is not approved. It is our understanding that the Agency fully paid the exiting loan and did not experience additional shortfall to amend the loan. As authorized by HSC section 34179 (h), Finance is returning the OB action to the board for reconsideration.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 15-16A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2014 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below only reflects the prior period adjustment self-reported by the Agency.

The Agency's maximum approved RPTTF distribution for the reporting period is \$1,714,241 as summarized in the Approved RPTTF Distribution table below:

For the period of July through December 2015	
Total RPTTF requested for non-administrative obligations	2,377,551

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
