## NOTICE OF SPECIAL MEETING

### INTENT TO RECOMMEND STOP SIGNS ON BOLLING CIRCLE

---

Please join the Street Improvement Oversight Advisory Committee (SIOAC) for a virtual Special Meeting on **Thursday, December 17, 2020 at 12pm** to discuss the intent to recommend stop signs on Bolling Circle.

This virtual meeting will be held through Zoom, **please join at [zoom.us/join](https://zoom.us/join)** or via telephone (699) 900-6833 and enter the following meeting ID and passcode:

**Meeting ID:** 927 6917 7004

**Passcode:** 1960

Public Participation/Comment Instructions are available at [novato.org/agendas](https://novato.org/agendas).

**Overview:** Public Works Department staff is recommending to the Novato Street Improvement Oversight Advisory Committee (SIOAC) that stop signs be installed on Bolling Circle at two locations in your neighborhood, including at Bolling Drive and at March Field Court. The additional stop signs are expected to enhance traffic safety. The City Council has the sole authority to establish all-way stop controls in Novato, but staff seeks SIOAC input before making a recommendation to the City Council.

**If you have questions or comments regarding these recommendations please contact  
Mary Jo Yung, Senior Traffic Engineer at 415.246.2987 or [pw@novato.org](mailto:pw@novato.org).**
