**GRANT AVENUE BRIDGE
REHABILITATION PROJECT**

MONTHLY GRANT AVENUE BRIDGE REHABILITATION PROJECT UPDATE
FROM THE CITY OF NOVATO

MONTHLY news & updates*

April 10th, 2024

Dear Neighbor-

We have some important information to share with you about an upcoming project in your neighborhood. Improvements are being made to the Grant Avenue Bridge between 8th Street and Virginia Avenue. Benefits of this project include widened roadway access, safety improvement for pedestrians, bicyclists and motorists, new bridge railing and paving, as well as, new signage and street lights.

After almost 15 years of planning, design development and funding acquisition, the construction work is expected to begin in early April with road closures anticipated in early May. Construction is expected to be completed by January 2025.

During construction, the pedestrian pathway will remain available as we understand the importance of maintaining pedestrian access to and from downtown Novato. However, vehicular traffic will be impacted by construction, and detours will be in place as needed. We encourage you to use alternate routes during these times. We are looking forward to making these much-needed improvements, and appreciate your patience and understanding while construction is being completed.

IMPACTS: Grant Ave Bridge will have one-way traffic control from May until November 2024. Pedestrian Access will be maintained.

** All estimated timelines are tentative and subject to change.*

PROJECT TIMELINE

- Work hours: 7am to 5pm
- Anticipated Start: Early April 2024
- Anticipated Completion: Jan 2025

CITY OF NOVATO GRANT AVENUE BRIDGE REHABILITATION PROJECT

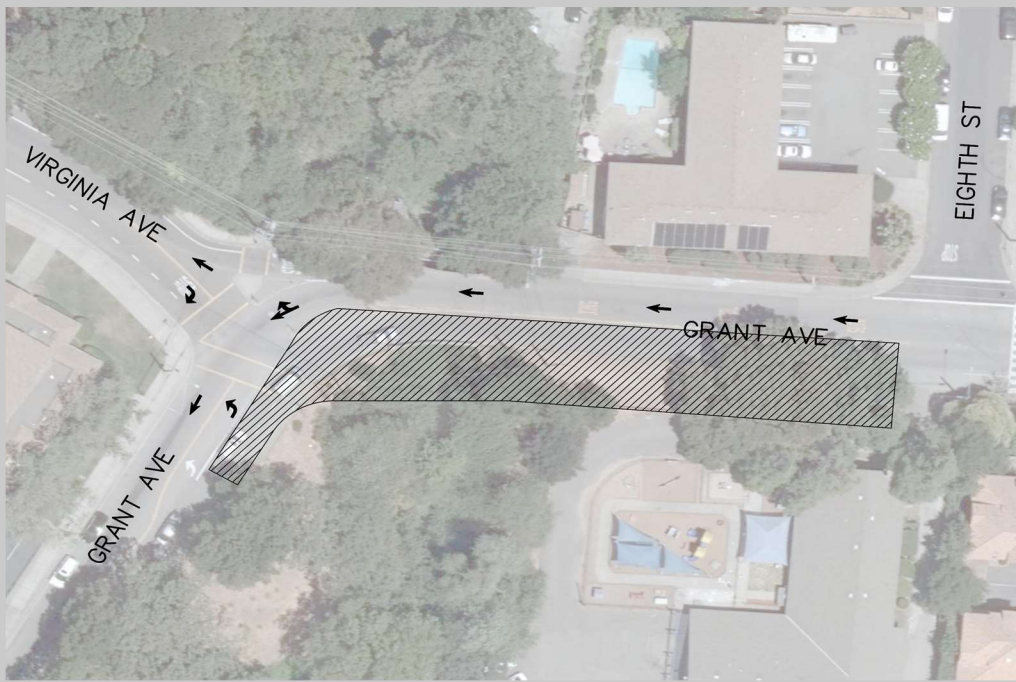

MONTHLY PROJECT UPDATE FOR THE GRANT AVENUE BRIDGE REHABILITATION
FROM THE CITY OF NOVATO

MONTHLY news & updates*

April 10th, 2024

Dear Neighbor-

We are set to commence construction in early April 2024, with preliminary work, including traffic island removal, minor paving, and temporary striping. This work will be performed under flagging and one-way traffic control. After this Preliminary Work, the following detour will start from early May through mid-July. The South Side Lane and Sidewalk will be closed. The North Sidewalk and Westbound Lane will remain open.:

IMPACTS: Grant Ave Bridge will have one-way traffic control from May until July 2024. Pedestrian Access will be maintained.

* All estimated timelines are tentative and subject to change.
